

To whom it may concern,

Hightower is committed to sustainability, seeking to provide products that have a positive impact on people and the environment. We are happy to offer products that are Indoor Advantage Gold Certified. The product family listed below meets SCS Global Services' highest level of indoor air quality performance for furniture. The certification assures that furniture products support a healthy indoor environment by meeting strict chemical emission limits for volatile organic compounds (VOCs). This product conforms to the ANSI/BIFMA Furniture Emissions Standard (M7.1/X7.1-2011 R2016) and ANSI/BIFMA e.3 -2014e (Credits 7.6.1, 7.6.2, 7.6.3), as well as the CDPH/EHLB Standard Method (CA 01350) v1.2-2017. This product contributes to the LEED Low-Emitting Materials Credit, WELL Building Standard v1 Air Feature, Section 4, Part 5, WELL Building Standard v2 Pilot Materials Feature X11, Part 1, and CHPS EQ 7.1.4 Additional Low-Emitting Materials Credit.

Breck Tables*

*Excludes Breck Tables specified with leather or vinyl, unless an Indoor Advantage Gold certified leather or vinyl is used

To whom it may concern,

Hightower is committed to material health and transparency, seeking to provide the healthiest products to our clients that are free of toxic chemicals. We are proud to offer products that adhere to certain guidelines set forth in International Living Future Institute's "Living Building Challenge Red List 3.1". This letter serves as a declaration that to the best of our knowledge and based on information provided to us by our suppliers, the following product(s) do not contain any intentionally-added chemicals on the "Living Building Challenge Red List 3.1" at or above the 100 ppm level.*

Breck Tables

*Breck Tables use composite wood containing formaldehyde, which is permitted under the LBC I10-E11 1/2009 Composite Wood Sheet Goods exception, and so Breck Tables are Living Building Challenge Compliant. The composite wood is TSCA Title VI compliant and the final product is Indoor Advantage Gold certified and CDPH compliant.

*Optional retractable power addition was not vetted.

It is essential that any fabric applied to this product (whether COM or Graded-In) be vetted separately for Red List chemicals.

We will continue to optimize our supply chain and seek additional transparency on our products.

To whom it may concern,

Hightower is committed to sustainability, seeking to provide products that have a positive impact on the environment. We are happy to offer products that contain both pre-consumer and post-consumer recycled content, as defined by the US Green Building Council's LEED standard. Products that contain recycled content can contribute to the LEED v4 and v4.1 Materials and Resources: Building Disclosure and Optimization – Sourcing of Raw Materials credit. This letter serves as a declaration that based on information provided to us by our suppliers, the following product(s) contain pre-consumer and post-consumer recycled content:

Breck Tables

BR3300: 4% pre-consumer recycled content, 11% post-consumer recycled content

BR3400: 4% pre-consumer recycled content, 9% post-consumer recycled content

BR3500: 4% pre-consumer recycled content, 9% post-consumer recycled content

Signed,
