## FINISHES:

### Base Options

Black

Custom  
(upcharges and  
minimums apply)

- Contrasting fabric available
- Power available

\*NOTE: any straight highback units are for modular layouts only, cannot be freestanding. Must eventually end with highback arms, highback corner units, highback 60° units, or a combination of those, on both ends.

 This product has one or more sustainable attributes. Refer to [hightower.design/sustainability](https://hightower.design/sustainability) for more information.

## • Poly / Vinyl Type Materials

Not allowed for upholstery on Adapt at this time, due to thickness, and telegraphing & puddling issues.

## • Contrasting Fabrics

Allowed, with limitations. Fees & increased yardage apply, please request a quote.

- The unit pictured here is a “highback arm” but when contrasting fabrics are specified, the separate parts are referred to as:

Inside & outside of any 1 individual... Arm · Back · Screen  
**\*Must be from the same Fabricway\* No exceptions**

But it **IS** okay to do completely different fabric families from **one entire unit to the next**

**Cannot** do contrasting seat spots on **multi-seat bench**

\*Same Fabricway\* = Same fabric, different colors

**Pivot Table Details:**

- 360° continuous rotating top (unless blocked by something like an arm).
- Location needs to be specified.
- Leftside standard when facing product, rightside optional.
- Mid-Bench placement optional (attachment should not be blocked by another seat, table, or arm/back), basic marked-up image w/ preferred location needed.
- Default: Leg slides through table connecting plate, and share same attachment screws.
- Table column offset from leg column left or right by approx. 1.25".
- Installed Height when attached to a Leg: Approx. 27.125".
- Installed Height when attached to seat frame: Approx. 27.375".
- Simple installation required.
- Table does not fold down.
- **Table cannot** be freestanding.

**Ganging Table Details:**

- Table can only gang to seating units.
- Ganging brackets are included.
