

Hightower®

Picnic Collection

A simple concept intended to draw people in, Picnic incorporates seating and a table into one unit that can serve as a meeting, dining, and collaboration zone. Build a sense of community while maintaining a tidy space by utilizing Picnic, available in 2 heights and 2 sizes.

Dare to Share

Inspired by +Halle's Annual Briefing topic of "Sharing", design studio Form Us With Love was intentional about creating a piece that would bring people back together. Whether standing for a quick meeting at one of the bar-height options or enjoying a meal together at the low-height models, there is something special about how Picnic engages its users in face-to-face interaction.

Finish Your Space

With an upholstered seat and solid wood top, Picnic brings warmth and comfort to any type of environment. Available in multiple finish choices and with the option for custom colors*, get as playful or polished with your design as you desire.

*Custom powder coats available in RAL Classic Colors for a surcharge

The One-Piece Wonder

Add Picnic to a space and immediately watch the conversation and collaboration unfold. From workplaces to break areas, this unique seating and table combination will help bring the community back to public settings.
